In the case where inflatables are set up on sand, stone, cement, tar or paving areas, a ground sail must be thrown under the inflatable, covering the full inflatable. 16. **Please ensure that the fun item is returned on time.** Please respect the next hirer's time as well as the lessee's time. You would not appreciate the previous hirer being late and you have to wait for them. Do not do it to someone else.
